

Only Applicable to Cosmetic Consultation/Patients - Cosmetic Consultation and Cosmetic Procedure Visit Cancellation Policy

When scheduling an appointment for a cosmetic consultation, we will collect a non-refundable visit fee of \$200. Payment is due at the time of scheduling to reserve your requested time and date. Should you decide to move forward with a cosmetic procedure(s), the \$200 consultation fee will then become a deposit toward your procedure(s).

We understand circumstances may arise which make it impossible for you to keep a scheduled appointment. Should this happen, we ask that you notify us at least forty-eight (48) hours in advance to reschedule your cosmetic consultation or cosmetic procedure visit. This allows us time to reschedule your appointment in a timely manner and allows us to schedule other patients with urgent needs.

In the unfortunate event that we are not notified, or you choose to cancel your appointment in its entirety, we will assess a no-show charge. The \$200 deposit will be retained for this charge and the deposit will become void. A new deposit payment will be required in order to schedule a new appointment.
